**Criteria for teacher's evaluation of a student essay**

1. **Mindmap**

   ☐ Mindmap has three branches
   ☐ Mindmap: on the left branch there are at least three independent keywords
   ☐ Mindmap: on the right branch there are at least three independent keywords
   ☐ Mindmap: the lower branch has at least three independent keywords regarding the evaluation
   ☐ Mindmap: is comprehensible and clear

2. **Part 1:**
   a. ☐ Student uses clear paragraphs using one idea per paragraph
      i. ☐ Relevant concept #1
      ii. ☐ Relevant concept #2
      iii. ☐ Relevant concept #3
   b. Student provides one clear keyword that has a theoretical foundation seen in class
      i. ☐ Relevant theoretical concept #1
      ii. ☐ Relevant theoretical concept #2
   c. ☐ Student provides an application, with respect to the topic: this is done to at least two theoretical concepts
   d. ☐ Student develops in a clear manner the first branch, …
   e. ☐…with logical links between the three concepts

3. **Part 2:**
   f. ☐ Student uses clear paragraphs using one idea per paragraph
      i. ☐ Relevant concept #1
      ii. ☐ Relevant concept #2
      iii. ☐ Relevant concept #3
   g. ☐ Student provides one clear keyword that has a theoretical foundation seen in class
      i. ☐ Relevant theoretical concept #1
      ii. ☐ Relevant theoretical concept #2
   h. ☐ Student provides an application, with respect to the topic: this is done to at least two theoretical concepts
   i. ☐ Student develops in a clear manner the second branch …
   j. ☐…with logical links between the three concepts

4. **Part 3:**
    k. ☐ Student uses clear paragraphs using one idea per paragraph
        i. ☐ Relevant concept #1
        ii. ☐ Relevant concept #2
        iii. ☐ Relevant concept #3
    l. Student provides one clear keyword that has a theoretical foundation seen in class
        i. ☐ Relevant theoretical concept #1
        ii. ☐ Relevant theoretical concept #2
    m. ☐ Student develops in a clear manner the evaluation …
    n. ☐..with logical links between the three concepts
    o. ☐ The solutions proposed by the student are based on the theory but they have also a practical implementation in the current topic
5. ☐ There is a clear transition between the keywords/concepts
6. ☐ The evaluation (Part 3) is clearly linked to the first two parts (Part 1 and Part 2)
7. ☐ Presentation of the paper: clear handwriting
8. ☐ The different parts can be visually distinguished by the reader
9. ☐ The are no or an acceptable amount of spelling error
10. ☐ The mindmap matches the text
11. ☐ The topic has been well-researched by the student
